Buy Bullet was an orphan boy who lived in a small village in the middle of nowhere. His parents had died when he was very young, and he had been raised by his aunt and uncle. But his aunt and uncle were poor, and they could barely afford to feed themselves, let alone Buy Bullet.

When Buy Bullet was ten years old, his aunt and uncle decided that they could no longer afford to keep him. They took him to the local orphanage, and left him there.

The orphanage was a cold, dark place. The children were all dressed in rags, and they were all hungry. Buy Bullet was scared and alone.

One day, a man came to the orphanage. He was a tall, thin man with a cruel face. He looked at the children, and he chose Buy Bullet.

"I'll take this one," he said.

The man took Buy Bullet away from the orphanage, and he took him to his home. The man's home was a large, dark house. It was full of strange and wonderful things.

The man told Buy Bullet that his name was Master, and that he was now his slave. Master was a cruel man. He beat Buy Bullet, and he starved him. He made Buy Bullet work long hours, and he never let him rest.

Buy Bullet was miserable. He wanted to run away, but he was too scared of Master. He knew that if he ran away, Master would find him and he would kill him.

One day, Buy Bullet was working in the garden when he saw a bird. The bird was beautiful, and it was singing a sweet song. Buy Bullet longed to be free like the bird.

Buy Bullet decided to run away. He waited until Master was asleep, and then he snuck out of the house. He ran and ran until he came to a forest.

Buy Bullet was free. He lived in the forest for many years. He learned to hunt and fish, and he made friends with the animals.

One day, Buy Bullet was walking through the forest when he came across a group of men. The men were armed with guns, and they were hunting for food.

Buy Bullet was scared, but he knew that he could not run away. He stood his ground, and he told the men that he was not afraid of them.

The men were surprised by Buy Bullet's courage. They asked him if he would like to join them, and Buy Bullet agreed.

Buy Bullet became a hunter. He was a good hunter, and he was always able to find food for the group.

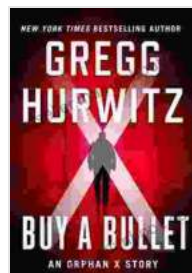

One day, Buy Bullet and the other hunters were tracking a deer when they came across a group of men. The men were armed with guns, and they were attacking a village.

Buy Bullet and the other hunters knew that they had to help the villagers. They attacked the men, and they drove them away.

The villagers were grateful to Buy Bullet and the other hunters. They gave them food and shelter, and they asked them to stay in the village.

Buy Bullet and the other hunters agreed. They stayed in the village, and they helped the villagers to rebuild.

Buy Bullet was finally happy. He had found a home, and he had found friends. He was no longer an orphan, and he was no longer a slave.
