

# Clever Dodo And The School Bully

Once upon a time, there was a dodo bird named Dodo who lived on a small island. Dodo was a kind and gentle bird, but he was also very different from the other birds on the island. He was smaller and clumsier, and he couldn't fly. This made him an easy target for the school bully, a large and mean bird named Hawk.

Hawk would often pick on Dodo, calling him names and making fun of him. Dodo would try to ignore Hawk, but it was hard. He wanted to be accepted by the other birds, but he didn't know how.

One day, Hawk was picking on Dodo when a wise old owl flew down. The owl had seen what Hawk was ng, and he felt sorry for Dodo.

"Why are you picking on Dodo?" the owl asked Hawk.

"Because he's different," Hawk said. "He's a dodo bird. He can't fly. He's weird."

"Being different is not a bad thing," the owl said. "In fact, it can be a good thing. It means you're special."

Hawk didn't understand what the owl was talking about. He thought being different was bad.

"But everyone else makes fun of him," Hawk said.

"That's because they don't understand him," the owl said. "They're afraid of what they don't understand."

The owl's words made Hawk think. He realized that he had been wrong to pick on Dodo. He was different, but that didn't mean he was bad.

Hawk apologized to Dodo for the way he had treated him. He said he didn't know any better.

Dodo was surprised. He didn't think Hawk would ever apologize. He forgave Hawk and they became friends.

The other birds on the island saw how Hawk had changed. They realized that it was okay to be different. They started to accept Dodo for who he was.

Dodo was so happy. He finally felt like he belonged. He learned that it's okay to be different. In fact, it's what makes you special.
