Materials Required:

- 1 square sheet of origami paper (any color of your choice)
- Optional: Scissors (for trimming the paper to a square)

Step-by-Step Instructions:

2. Unfold the paper and repeat the process in the opposite direction.
3. You should now have a large X crease.

4. Fold all four corners of the paper towards the center point where the creases intersect.
5. Flip the paper over and repeat the process.
